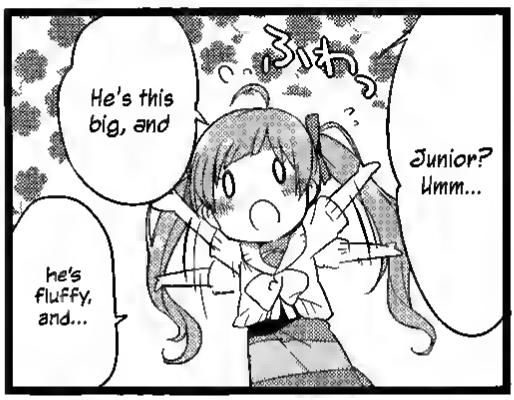
Serika-chan, you have a dog at your house, don't you~?
Yes! He's really cute!
How nice... what kind of dog is he?

Sorry, sorry. Yesterday I saw a cute TV program about pets, and I suddenly wanted to own a dog...
Okay, but don't cast me as the dog, geez...
tahah~



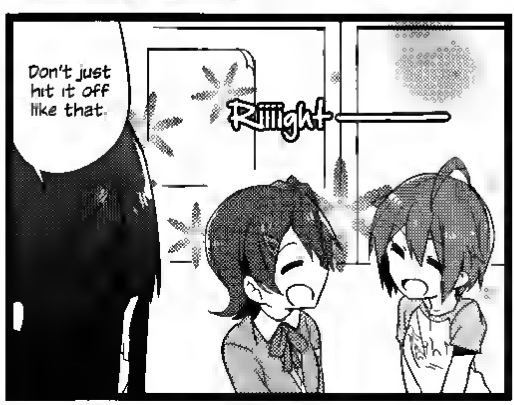
He's this big, and
ふわっ
Junior? Umm...
he's fluffy, and...

Ehh? But there's no one else who'd make a good partner.
Well, I guess I kind of wanted to get Shizuka-chan involved...

He has ears just like this!
ぴょこん

Shizuka-chan is fun to tease, right~
Tsubasa, you think so too, right?

And also
umm
umm
So warm~



Don't just hit it off like that.
Riiight

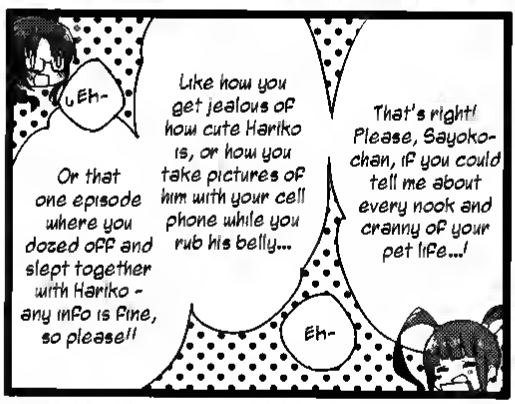
Mufufu♪ How good of you to ask!
Arisa-san, since when have you been there...
But that's nice... I wanna own a dog too...
And then, just before, Mirai-
ahaha
EHH-
I've been carefully concealing my breath and observing you all since you entered the room!
Certainly... I'm a little envious.
It sounds like every day would be fun, huh~
I trained for days to be able to write memos even in total darkness just for a time like this!
I have perfectly logged your words and actions from today in the Arisa Memo!
That voice is...
I HAVE HEARD YOUR ENTIRE STORY!
You shouldn't admire that, Mirai.
Amazing...!
.....

Sayoko-chan!
You've come at a good time!
Oh, what's everyone talking about?

The combination of a cute idol and a cute animal...!
Let us call this a clichéd yet perfect situation!

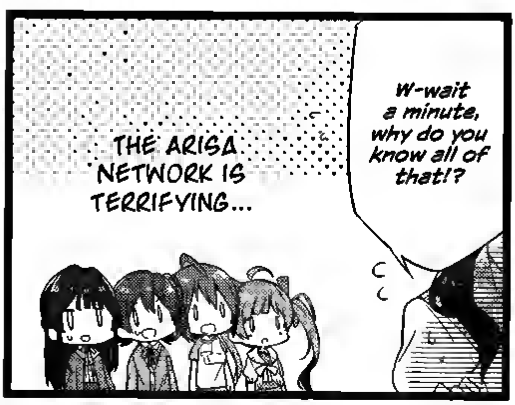
Hariko... you mean my hedgehog?
Sayoko-chan, you too have an animal at your house, don't you!

The idol-chan's facial expression shown when she's together with a pet
This is what is called cute squared



Eh-
Or that one episode where you dozed off and slept together with Hariko - any info is fine, so please!!
Like how you get jealous of how cute Hariko is, or how you take pictures of him with your cell phone while you rub his belly...
Eh-
That's right! Please, Sayoko-chan, if you could tell me about every nook and cranny of your pet life...!

Serika-chan is really cute, so it's fine, right?
Hmm~ I don't really get it, but
Cute + Cute

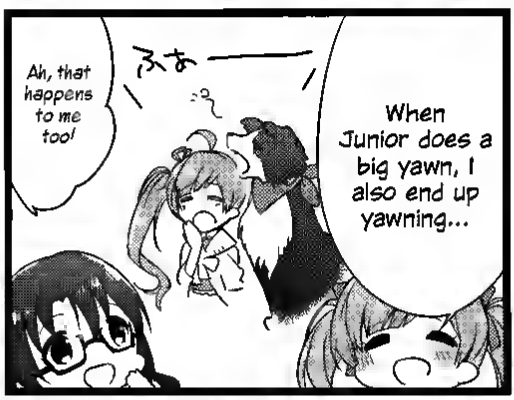


THE ARISA NETWORK IS TERRIFYING...
W-wait a minute, why do you know all of that!?

EXACTLY?!
Exactly!

I understand!
When Hariko looks sleepy, for some reason I get sleepy too.

Of course.
It looks prickly...
B-but is it okay to touch a hedgehog?

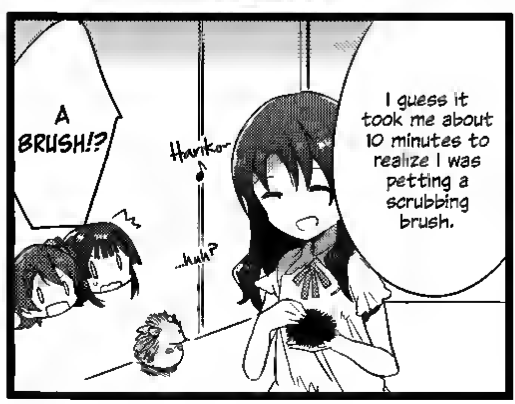


Ah, that happens to me too!
ふぁ――
When Junior does a big yawn, I also end up yawning...

I see~!
Once you get used to hedgehogs, you can pet them properly.

I didn't have my glasses on, and I decided to pet Hariko, but...
Ah, but one time...

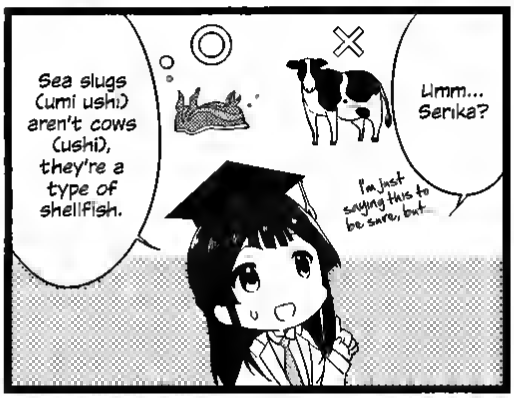
Oh my, it's like a painting!
Mufufu...
The cute pets aren't present, yet those two are fired up just comparing their pet experiences!



A BRUSH!?
Hariko~
...huh?
I guess it took me about 10 minutes to realize I was petting a scrubbing brush.

I wonder if her house has a living meadow for a garden...?
If she really does own a sea slug, that's amazing!
Meadow...?

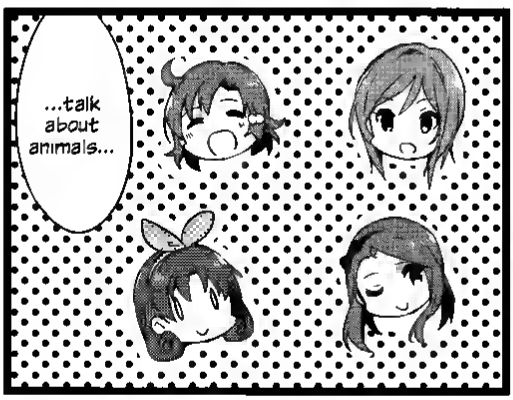
But you know, when you think about it there are a bunch of animal owners here.



Sea slugs (umi ushi) aren't cows (ushi), they're a type of shellfish.
Umm... Serika?
I'm just saying this to be sure, but...

Good point... I'm just thinking about it, but there are quite a few people here who often...

I had no idea...
Ehh? Is that true?
Ahaha



...talk about animals...

Mirai...
EHH!?
IS THAT TRUE!?

A MYSTERY...
wh- who knows...
Hu?
I wonder if Matsuri-san owns a sea slug...?
